

2018

# Ending Veteran Homelessness

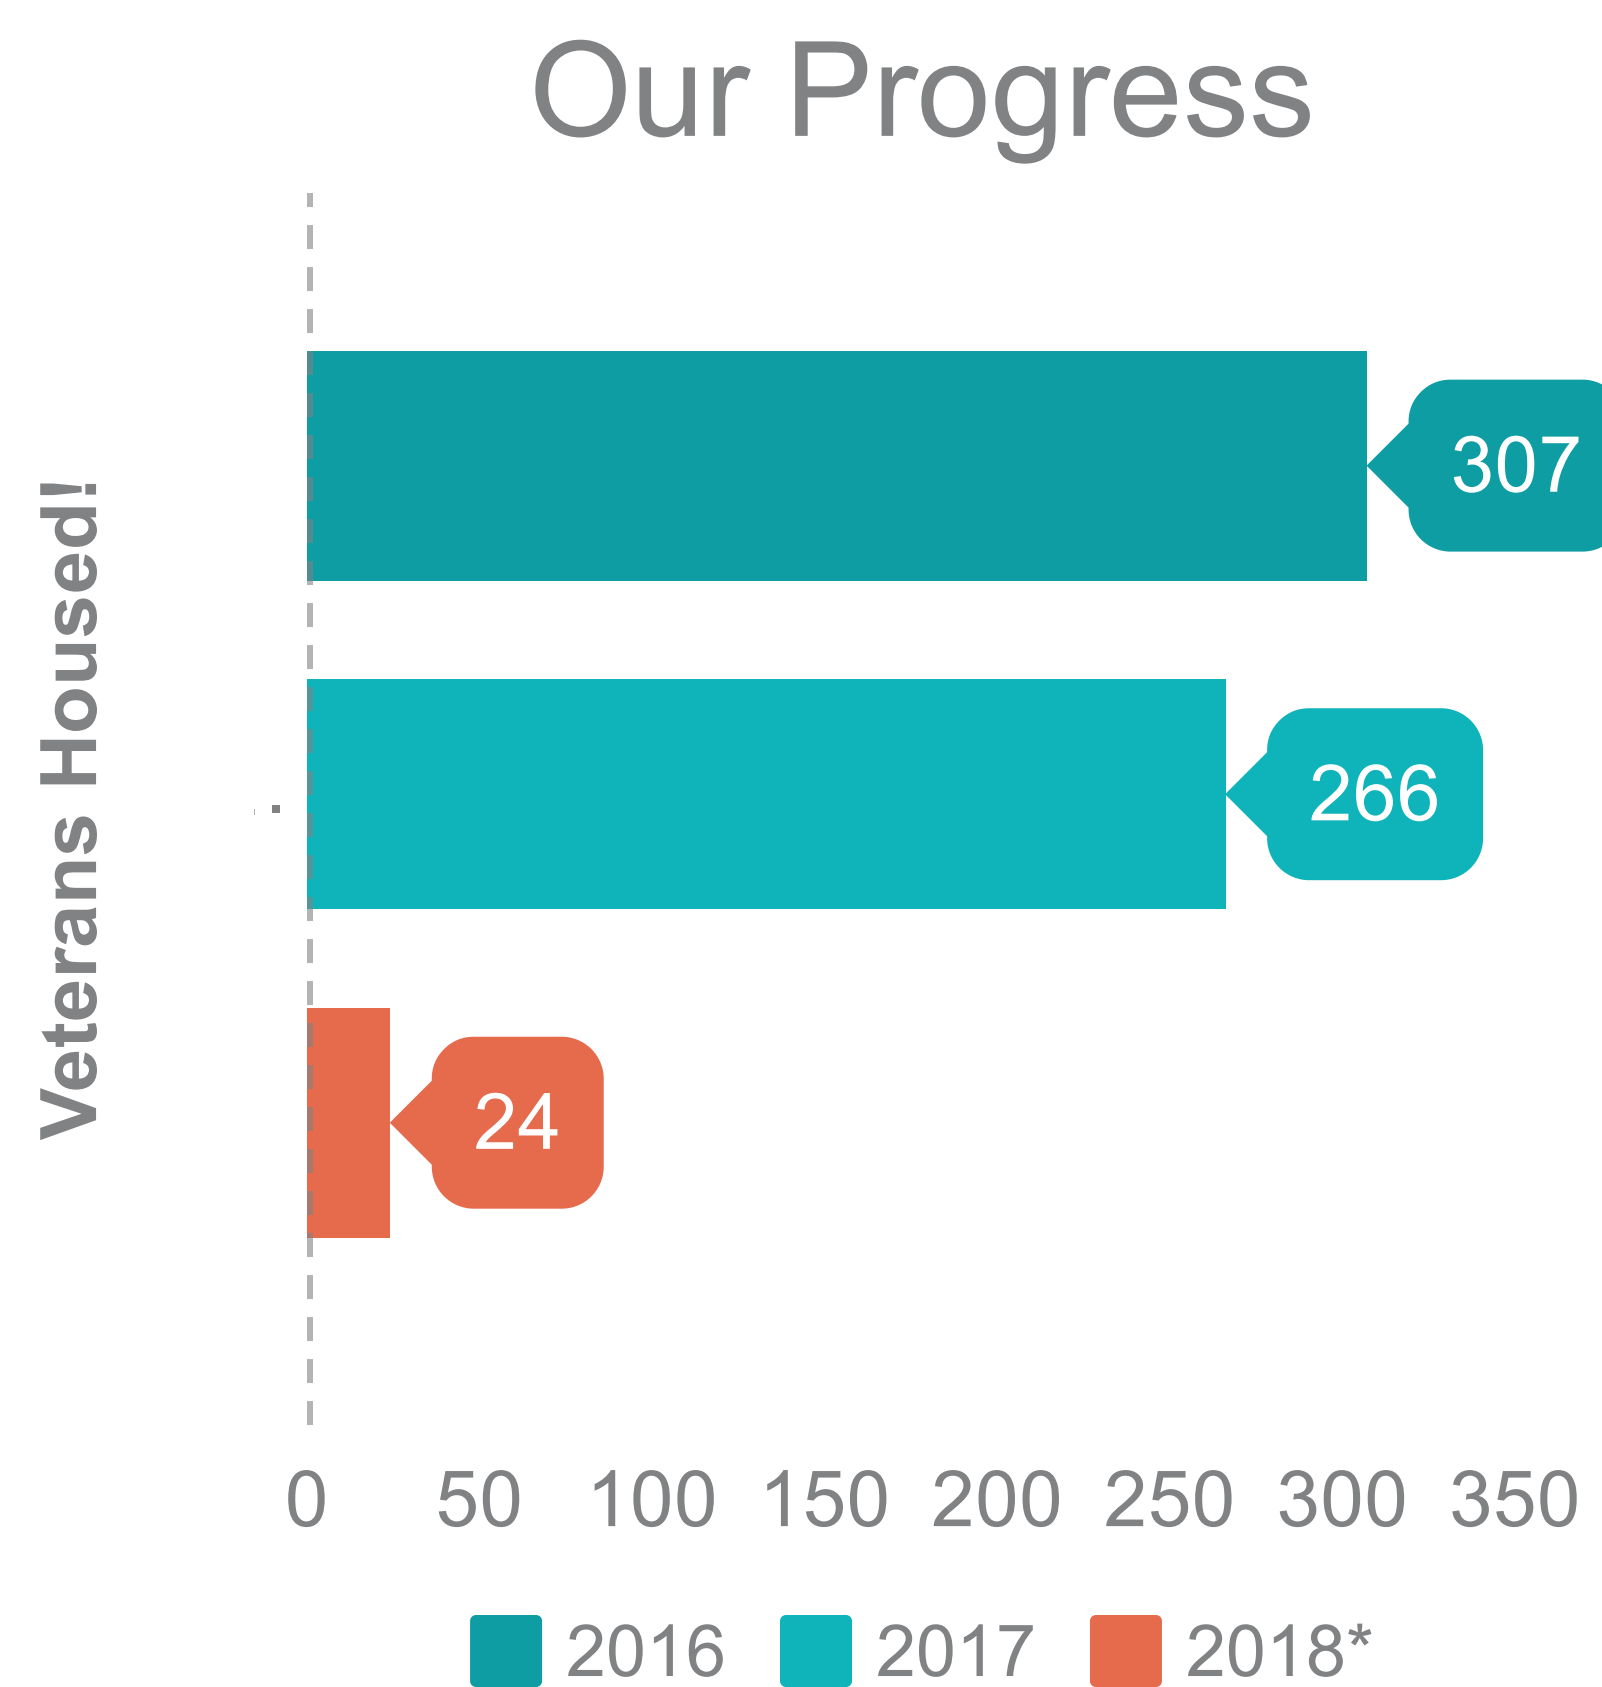

In 2017, Kent County was certified by the USICH as the 54th community in the country, to effectively end Veteran homelessness. Our efforts continue, learn about our progress below.

# 597

homeless Veterans

HOUSED, by Community Rebuilders since 2016.

24 # of Veterans on by-name list at the beginning of the quarter.

48 # of new homeless Veterans identified this quarter.

24 # of Veterans who have accessed safe and affordable housing of their choosing.

33 # of Veterans experiencing a housing crisis seeking housing alongside a Housing Resource Specialist.

# 1

Homeless Veteran,

every

# 8

hours, gaining access to safe and decent housing, of their choosing.

"My home is a foundation to wake up for school, work, and church. Like the old saying goes, "there is no place like home."

Shannon
