

Community Rebuilders

Innovating Solutions

Ending Youth Homelessness

50

Young People Housed

“I have maintained stable housing and kept myself in a safe environment thanks to Community Rebuilders.”

Rapid Rehousing Collaborative

We provide housing and services to the community's most **vulnerable** homeless youth, **ages 18 - 24**, with Housing First, and services as needed. A Rapid Rehousing program provides 6 - 9 months of case management services with individualized rental assistance for a youth to move into housing of their choosing.

Serving the most vulnerable.

42%

of youth had experienced domestic violence, dating violence or sexual assault, prior to accessing stable housing.

78%

of youth were staying in places not meant for human habitation, like the streets, parks or in their car prior to being housed.

70%

of youth had zero income, from employment or benefits, prior to being housed.

83%

OF HOUSED YOUTH

who have completed the program, have exited to safe, stable housing of their choice.

64%

OF HOUSED YOUTH

who have completed the program, increased their total income.

\$1,179

AVE. MONTHLY INCREASE

in income, for households that have completed the program.
